

The Ladybird Book of The Nerd (Ladybird for Grown-Ups) (Hardback)

Filesize: 6.44 MB

Reviews

The ebook is easy to go through easier to recognize. We have studied and I am certain that I will plan to read through once again once again in the future. I am quickly getting a pleasure of studying a composed publication.

THE LADYBIRD BOOK OF THE NERD (LADYBIRD FOR GROWN-UPS) (HARDBACK)

Penguin Books Ltd, United Kingdom, 2018. Hardback. Condition: New. Language: English . Brand New Book. THE PERFECT GIFT for anyone who not only loves watching their favourite TV series over and over, but also enjoys reading online forums about their favourite TV series over and over. This is a nerd. He has a PhD and works in the biochemistry lab of a university hospital. But this is not what makes him a nerd. His catalogued and indexed collection of over 6,000 empty crisp packets does that. These nerds have paid money to see a film they think is terrible and have seen at least thirty times before. They are having the most fun they can possibly have. This delightful book is the latest in the series of Ladybird books which have been specially planned to help grown-ups with the world about them. The large clear script, the careful choice of words, the frequent repetition and the thoughtful matching of text with pictures all enable grown-ups to think they have taught themselves to cope. Featuring original Ladybird artwork alongside brilliantly funny, brand new text. Hilarious Stylist
