It doesn't help that men constantly seek her out; her inhuman charm and beauty draw them to her no matter how hard she tries to avoid it. Sera is perplexed to learn that the FBI is seeking two individuals in the serial murders. Does she have a stalker, or is her alter ego working with someone? It's as much a mystery to her as it is to the authorities. Complicating matters further, Sera's best friend and roommate begins dating FBI agent Jeff Robertson, who suspects something supernatural at work in the killings. Can Sera stop her inner killer before the FBI closes in, or will her demons take over?.
