THE GOVERNOR S MESSAGE REVIEWED (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Governor s Message Reviewed The Inaugural Message of the Executive recently transmitted to this body, will be justly regarded by this Legislature, by the State it represents and by the whole country as a State paper of significant importance, foreboding vast and important results to the country, whether of good or of evil. Emanating from a gentleman of the acknowledged ability and commanding position of the Executive, occupying as he does the Executive Chair of the Empire State of the Nation, and representing a powerful political organization for which he speaks as the exponent and the leader, this paper carries with it a weight and influence that will not be overlooked by the people of either the Loyal or Rebellious States, and entitles it with more than ordinary claims to the candid, serious and searching consideration of this body. Particularly is this demanded in the present perilous crisis of our national affairs, when the hopes and the destinies of the country hang, upon the single thread of unity of action and singleness of purpose on the part of the Loyal North in putting down the rebellion, and when, therefore, the great political association which the Governor represents, has it in their power to shape the destiny of the Republic - to destroy if not to preserve the Union of these States. Mr. President, while I am not disposed to deny to this Message, the meed of merit which it deserves as a production of elaborate thought, care and skill - while it must be admitted that the Executive has forfeited none of his well-earned reputation by the plausibility, ingenuity and force with which he...
