This is a book for people who like poetry with a Big Difference and that is it s mixed up because it comes from a mixed up mind namely mine so it is Poetry but not how you would know it. Poetry should change with the times we live in. I truly hope that this book helps people who are not sure about poetry and are a bit mixed up about it I hope this book will help you understand it better after all it s only words but with feelings attached to them. I do hope that you enjoy this book. Joshua Pascal.
