Henry Holt & Company. Hardcover. Book Condition: New. Hardcover. 272 pages. Dimensions: 8.4in. x 5.4in. x 1.2in. An intimate, gorgeously observed memoir about family and farming that forms a powerful lesson in the hard-earned risks that make life worth living. The summer he was thirty-one, Arlo Crawford returned home for the summer harvest at New Morning Farm, seventy-five acres tucked in a hollow in south-central Pennsylvania where his parents had been growing organic vegetables for almost forty years. Like many summers before, Arlo returned to the family farms familiar rhythms: rise, eat, bend, pick, sort, sweat, sleep. But this time he was also there to change his direction, like his father years ago. In the 1970s, well before the explosion of the farm-to-table and slow food movement, Arlo's father, Jim, left behind law school and Vietnam, and decided to give farming a try. Arlo's return also prompts a reexamination of a past tragedy: the murder of a neighboring farmer twenty years before. A chronicle of one full season on a farm, with all its small triumphs and inevitable setbacks, *A Farm Dies Once a Year* is a meditation on work, the true nature of it, and on taking pride in it and a son's reckoning with a father's legacy. Above all, it is a striking portrait of how one man builds, sows, and harvests his way into a new understanding of the risks necessary to a life well-lived. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
