Wiley India Pvt. Ltd, 2010. Softcover. Condition: New. Windows Small Business Server (Windows SBS) 2008 represents the next-generation integrated server solution for small businesses (up to 75 users or network devices). Windows SBS 2008 offers a combination of technologies and management capabilities tailored to small-business customers. Windows SBS 2008 is part of Windows Essential Server Solutions, a new family of integrated server software for small and midsize businesses that delivers enterprise-class technology at a lower cost and with reduced complexity. Note: Windows Small Business Server is technically not an edition of the Windows Server operating system but rather a customized SKU of server technologies targeted especially to small businesses.
