

Lessons from the Greatest Stock Traders of All Time: Proven Strategies Active Traders Can Use Today to Beat the Markets

By John Boik

McGraw-Hill Education - Europe. Paperback. Book Condition: new. BRAND NEW, Lessons from the Greatest Stock Traders of All Time: Proven Strategies Active Traders Can Use Today to Beat the Markets, John Boik, This title presents timeless rules for profitable, low-risk trading - from five investing legends. Over the course of a century, in every type of economy and market, five traders wrote and perfected the rules for successful stock trading. "Lessons from the Greatest Stock Traders of All Time" examines these amazing traders and their careers, and reveals how you can use their remarkably similar skills, disciplines, and trading rules to improve your performance in today's high-risk, high-reward markets. Look to these 'Babe Ruths of Trading' to discover: Jesse Livermore - how early market defeats taught him the number one rule of profitable trading; cut your losses and move on! Bernard Baruch - techniques Baruch learned from his \$5 a week Wall Street job - and how they helped him build a multimillion dollar portfolio; Nicolas Darvas - what this 'outsider' did to regularly outmaneuver Wall Street's top pros in his spare time; Gerald Loeb - what Loeb saw that many others missed, allowing him to sidestep the Crash of 1929;...

This type of ebook is every little thing and made me looking ahead of time and more. It is among the most amazing book i actually have read through. Its been designed in an exceptionally simple way in fact it is simply soon after i finished reading through this pdf in which actually transformed me, change the way i believe.
