## CAMP LIFE IN FLORIDA: A HANDBOOK FOR SPORTSMEN AND SETTLERS (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Camp Life in Florida: A Handbook for Sportsmen and Settlers This volume is a compilation from the columns of the sportsmen s journal known as the Forest and Stream. It is, in great part, the outcome of two special commissions sent by the publishers of that paper to explore southern and south-western Florida - one of them to Lake Okeechobee, in the winter of 1873- 74, and the other, in the winter and spring of 1874- 75, to the section laved by the waters of the Gulf of Mexico. To some of its readers it will therefore appear at secondhand; but republication is justified and extenuated by the fact that it has been pressed by repeated solicitations of gentlemen who appreciate the value of the information its chapters contain. So little is known of the Florida Peninsula, and so very meagre are the written accounts of its geography and resources, that the citizens of Florida have, privately and through the press and public meetings, acknowledged to the editor his substantial service rendered to the State. Now, more than ever, is attention being directed to the Land of Flowers. Winter visitors in vast numbers migrate thither as regularly as the birds of passage.
