These materialised forms were likewise visible to the others present. On one occasion a spirit stood out between the medium and the sitters, gave his name, and recounted some of both his earthly and his spiritual experiences in a voice bearing no resemblance to that of the medium or any one present in the flesh. I have, in broad daylight, under test-conditions, seen a hand materialised only so far as the wrist and smaller than that of any one present, move in the air without any visible support; have grasped it, felt it soft and warm, and as I held it in my hand it dematerialised. It was also distinctly seen by two of the members of my family who were present. I have seen a slate-pencil influenced to write legibly by an invisible agency. I have witnessed tables and chairs moved and levitated without contact, and I have held a conversation with an invisible intelligence, through raps on a table in my own house, when no one was present in the flesh except myself. I may further state that the hands of two of my children were influenced to write distinctly before they knew their alphabet; and three of the members of my family have written in languages and on subjects with which they were totally unacquainted. Such...
