

The Cupcake Tree (Paperback)

By R L Cox III

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Studies have shown that children who were read to as newborns have a larger vocabulary, as well as more advanced mathematical skills, than other kids their age. The Cupcake Tree was conceived while my friend Sara and I were looking at a display of cupcakes at the local coffee shop when she turned to me and said Where do cupcakes come from ? With all my wisdom I explained to her where they came from and she responded, That s not what I mean ! From that moment I decided to write a children s book. The Cupcake Tree is by no means a book perfect in verbiage, layout, or illustrations but that s not what this book is about, it s about stimulating the imagination of your child as well as you by transporting the imagination to a land far away. When I have read this book to my friends I would have them close their eyes and create their own imaginary land of vibrant colors and woodland creatures and for the few minutes it takes to read...
