Brand New Book ***** Print on Demand *****.ABOUT THE SMART READS for Kids BOOK SERIES Love Art, Love Learning Welcome to the SMART READS for Kids book series. Designed to expand and inspire young minds; this is a range of short educational books for children aged seven and over. These books do much more than just teach children about Art and Artists. They also act as a gateway to a much broader general knowledge base. Although one Artist s life and major works are always the central theme, wider learning is encouraged in the following ways: Geography. When locations relevant to the Artist s life are mentioned they are always accompanied by a colourful, child-friendly map so that the opportunity to learn some world geography does not pass the young reader by. History. If the Artist s actions or inspirations were based on the current affairs of the day then a snippet of history is explained in simple terms than can be easily understood by children. Vocabulary. In general the vocabulary is uncomplicated. However, a manageable number of longer words are intentionally introduced and then reused in each book. These are always demarked by bright bold colours and are accompanied by a clear definition and pronunciation. There is also a Glossary at the end. Maths. At least one maths sentence, for example a calculation of the Artist s age or how many years ago they were born, is included in each book. A column subtraction sum to accompany the statement is always laid out somewhere nearby. Concentration. Each book is written in the friendly first person and a trail of footprints running through it always leads to a cute cartoon animal at the end. The author sometimes...
