Reviews

It is a single of my favorite publication. I have read and so I am sure that I will likely to study again once again down the road. I am delighted to let you know that this is basically the greatest publication we have read inside my own life and might be the best pdf for possibly.

AUTHORHOUSE, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A DYING MAN NEVER LIES are true documented supernatural events witnessed in Nursing Homes and Hospitals in the St. Louis area. It is not uncommon for the medical profession to see things they cannot explain. They surely don't tell the public about them for fear of losing credibility. Not until now. This book has true documented accounts of flashing lights, floating heads, spirits, smells, apparitions, and yes even ghost. Almost everyone at sometime in their life has seen something they could not explain. You can call it what you like, but strange is strange. It might have frightened you for a minute but, if you never experience it again, so much the better. Has anyone ever told you about someone that was dying? That they talk to someone that was not there, and in fact had already died years ago? Maybe you have been at the bed side of someone dying, and watched as they had a normal, one sided conversation. Don't dismiss it as a hallucination You have just experienced part of the unknown supernatural world. We hear about the ghost in haunted ships, restaurants, hotels, and grave yards all the time. Why have you never heard about them in places where people die? Like nursing homes and hospitals. Let me tell you why. Most of the facilities would have a fit to see their place connected with ghost. Lets face it, they want people to come to them, not be scared away. I can't blame them either. They spend millions of dollars a year to better equip and put on new appearances just to bring people to their facility. Hospitals and nursing homes want to serve the...
