

Anthropology and Law

By -

Berghahn Books. Paperback. Condition: New. 246 pages. Dimensions: 8.9in. x 5.9in. x 0.6in. . . . insightful and interesting . . . One hopes that the practical approach to how practitioners in anthropology and law can better connect with one another, as well as how both fields can connect with the rest of the (non-anthropological and non-legal) real world, is here to stay through Donovan and Anderson's insightful work. -PoLAR The relationship between Law and Anthropology can be considered as having been particularly intimate. In this book the authors defend their assertion that the two fields co-exist in a condition of balanced reciprocity wherein each makes important contributions to the successful practice and theory of the other. Anthropology, for example, offers a cross-culturally validated generic concept of law, and clarifies other important legal concepts such as religion and human rights. Law similarly illuminates key anthropological ideas such as the social contract, and provides a uniquely valuable access point for the analysis of sociocultural systems. Legal practice renders a further important benefit to anthropology when it validates anthropological knowledge through the use of anthropologists as expert witnesses in the courtroom and the introduction of the culture defense against criminal charges. Although...

Reviews

Extensive guideline! Its this kind of very good study. It really is full of knowledge and wisdom I discovered this book from my i and dad encouraged this publication to understand.

-- **Mr. Jerry Littel**

Simply no words and phrases to clarify. It really is full of knowledge and wisdom You wont feel monotony at at any moment of the time (that's what catalogs are for relating to when you question me).

-- **Paolo Spinka**
