Mirror Books, United Kingdom, 2018. Paperback. Condition: New. Language: English . Brand New Book. Published for the 70th anniversary of one of the most dramatic trials in British criminal history, DEATH OF AN ACTRESS is the second in the Cold Case Jury Collection, a unique series of true crime titles. Each case study tells the story of an unsolved crime, or one in which the verdict is open to doubt. Fresh evidence is presented and the reader is invited to deliver their own verdict. October 1947. A luxury liner steams over the equator off the coast of West Africa and a beautiful actress disappears from her cabin. Suspicion falls on a dashing deck steward with a reputation for entering the cabins of female passengers. When the liner docks at Southampton, the steward is questioned by police. Protesting his innocence, he makes an astonishing admission that shocks everyone, and is charged with murder. His trial at the historic Great Hall in Winchester draws the world's media. He is found guilty and sentenced to hang. Was the verdict sound? Many believe not. Now for the first time, Antony M. Brown has secured unprecedented access to the police file, enabling the definitive story to be told. Included in the file are original court exhibits, including a hairbrush with strands of the actress's red hair. Could a personal effect left behind in her cabin provide clues to how she might have died? Take your seat on the Cold Case Jury.
