Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Many people dismiss the world of the paranormal as impossible. Others, based on their own unsatisfactory experiences, conclude that all claims of profound intuitiveness amount to fakery. Fictionalized images of sorcerers and soothsayers consorting with unholy forces linger among us, while media exposes of pseudo-psychics leave little room for the voices of genuinely gifted extrasensory consultants to be heard and fairly judged. When God Taps You On The Shoulder is a response to these common negative connotations. It is the testimony of Lillian Cosby, a woman whose supernatural gifts were evident from early childhood, but who did not accept her abilities until her early thirties. In service to those who seek her, Lillian Cosby's biography ranges from city neighbors, schoolchildren, and high national government officials, to the glitter of the entertainment world, corporate Tokyo, and beyond. Beneath the brilliance of her own star status, however, Lillian remains grounded in Spirit. When God Taps You On The Shoulder offers wisdom born of experience as well as concrete spiritual techniques to move us towards a deeper relationship with the Divine.
