Reviews

Excellent electronic book and helpful one. Better then never, though i am quite late in start reading this one. You wont truly feel monotony at whenever you want of your time (that's what catalogues are for relating to when you question me).

(Mabelle Dach III)

THE BOOK OF IDLE PLEASURES (HARDBACK)

Ebury Publishing, United Kingdom, 2008. Hardback. Condition: New. Language: English . Brand New Book. The Book of Idle Pleasures is a restorative gift book for the stressed out, tired and hassled. An antidote to our non-stop culture, it is a welcome compendium of timeless delights. The book lists and reflects on 75 simple pastimes and proves that the best things in life really are free: lighting fires, skimming stones, catching falling leaves, whittling, staring out of the window, dreaming, doodling or taking a nap. The Book of Idle Pleasures is a celebration of pleasure for its own sake in a world of consumer overload.
