This is a book that demands active engagement - indeed, a revolution in your daily living - and provides a path for spiritual seekers of every persuasion. Lynne McTaggart, co-founder of What Doctors Don t Tell You Prayer and contemplation access the deepest aspect of ourselves, allowing us to radically transform our lives and the world; the deeper the reflection, the more we can be stirred to action. Using a beautiful six-line prayer as a springboard, thought leader and activist James O Dea lifts us into page after page of poetic contemplative reflections that illuminate our understanding of the soul s long awakening journey; the forces that open the heart and enlighten consciousness; the understandings and actions that dissolve wounds and secure lasting peace.
