Mountaineers Books, United States, 2002. Paperback. Condition: New. Language: English . Brand New Book. * Mark Twight s collected works, some never before published in North America * Includes dramatic black and white mountaineering photos * Features brand new epilogues to all of the stories They call him Dr. Doom. Raving and kicking against mediocrity, his anger and pain simmer close to the surface. He speaks and writes the language of the punk music that defined him.
