In so doing, Dollimore discovers that Freud's theory of perversion is more challenging than either his critics or his advocates usually allow, especially when approached via the earlier periods' archetypal perverses, the religious heretic and the wayward woman, Satan and Eve. A path-breaking book in a rapidly expanding field of literary and cultural study, *Sexual Dissidence* shows how the literature, histories, and subcultures of sexual and gender dissidence prove remarkably illuminating for current debates in literary theory, psychoanalysis, and cultural materialism. It includes...
