Vision Publications. Paperback. Condition: New. 148 pages. Dimensions: 10.0in. x 8.0in. x 0.3in. Its a well-known fact that landlords have the upper-hand in office lease negotiations. But did you know that the majority of tenants leave money on the table by not taking advantage of a few simple strategies. Winning the Office Leasing Game: How to Search for Office Space and Negotiate Your Office Lease Like an Expert will show you the secrets to finding the perfect office space and ensure you dont leave a dime on the negotiating table. Dont Leave Money on the Table in Your Next Lease Negotiation This guide offers essential office leasing tips and strategies, including: Avoiding Lease Gotchas - our thorough lease review checklist will make sure your lease absolutely does NOT include common clauses that unfairly benefit the landlord - at your expense! Timely advice on how to negotiate the best rental rates and renewal options that work for you. Things to know in advance: sublease options, building classifications, the subtle differences between gross leases, full service, net leases that can cost you dearly. The ability to determine your companys exact office space needs - including how to calculate your ideal square footage and gain the most efficient layout - dont pay a penny extra for space you dont need! How to find your ideal office - including little-known tools the professionals use for finding unlisted office space. How to create and strategically distribute Requests for Proposal (RFPs)-start a bidding war between landlords that will get them aggressively competing for your business (this strategy alone can save your company many thousands of dollars in leasing costs)! Award-winning, pro-level tools that just plain work. - The Leasing Needs Assessment, Proposal Evaluation Matrix, plus many others, will make analyzing and managing your lease negotiation easier and...
