Summary: WHAT PEOPLE ARE SAYING ABOUT "THE ZEBRA AFFAIRE" "I just finished reading this book and it's truly a masterpiece on so many levels. As a South African who left S.A. in the late 70's, I can attest to the authenticity of Mr. Fine's historical and social facts, as well as life as it existed there at that time. It is a beautiful, heartfelt and very complete love story of the "no-no" kind, written magnificently by Mark Fine." ILANA EDELSTEIN Author, "The Patron Way" I see Pulitzer Prize material here. This is fascinating history-with such insight that I've been thinking of the common ground Southerners from the US has shared with South Africans. This (novel) is fantastic, relevant, and an incredible contribution to literature, history, anthropology, and all of the humanities. Mark Fine is brave and brilliant." JEANNE MARY ALLEN Author & Writer "The Zebra Affaire is a fast-paced, suspenseful tale about the racial divide in the police state of South Africa. The story involves a mixed race relationship during apartheid, riots, tribes at war and the horrors of an unfair and unyielding society. It's a love story, it's a societal change story and it's a war story all at once, the kind of page turner that some of us devour hungrily, anxious for the next thrilling bite." CAROL CASSARA, Book Recommendations to Warm You "In the best tradition of historical fiction, Fine has woven the story of several intriguing individuals into the larger fabric of a troubled time. In this case, a biracial couple's story is at the center of late 1970s apartheid South Africa. Whether it is the local 1976 Formula 1 race or the horrific conditions in the mines, the author's...
