## Relationship-Centered Practices in Early Childhood: Working with Families, Infants and Young Children at Risk

By Gail L. Ensher

Brookes Publishing Co, United States, 2011. Paperback. Book Condition: New. 246 x 178 mm. Language: English . Brand New Book. Strong working relationships with diverse families and children are the foundation of successful early intervention. Discover fresh, practical ways to build these relationships in this essential guidebook, every professional's blueprint for working with children and families within the specific context of their culture, family structure, and risk factors. Developed by two respected early childhood authorities special education expert Gail Ensher and pediatrician David Clark this book is a must for all professionals serving families of children birth to age 8 who have disabilities or who may be at risk. Presenting a clear framework for effective relationship-centered care in natural environments, Ensher and Clark give readers the up-to-date information and guidance they need to meet AAP guidelines and IDEA requirements for family-centered care, and address the new OSEP requirement that programs report how early intervention services have helped families and children respond appropriately to the different types of family diversity they'll encounter in their day-to-day work enhance their current models for early intervention in natural environments, such as coaching, consultation, and routines-based early intervention empower families to skillfully sustain and extend...

### Reviews

*A brand new e book with a new perspective. Better then never, though i am quite late in start reading this one. I found out this ebook from my dad and i advised this publication to find out.*
