Mysteries is art work serial oil painting albums By modern artist Lily Yu, who currently resides in Beijing Lily Yu s paintings reflects scenes of ghost movies . i am not much for horror movies, possibly because I love words more. The words are better for describing the subconscious Feeling to the supernatural life forms, as words are much more imaginative Than visual scenes. Many years ago, I once watched a ghost movie, which name I couldn t remember. But I still remembered A long length shot crawling like a snake through somewhere, or flourishing, or deserted, or luxurious, or isolated. White, however, is unevenly and liberally used to cover the trees, and to create the effect of distance, intricacy and layer-upon-layer. The grey is an obscure area, made by repeatedly covering, scratching and washing. Lily Yu amazingly uses western painting materials to create a misty effect we see from Chinese ink paintings. This is why some people often take her work as ink painting, which is of course a misunderstanding. Chinese ink is ink, which has only black color. By controlling the ratio of ink and water, the permeation of Chinese art...
