Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.When it comes to having a little wiggle room in the stock market, options trading can t be beaten. The simple ability to choose whether or not you want to purchase the underlying stock attached to your options can easily lead to success in scenarios that would only lead to failure in the stock market. With that being said, however, in order to maximize your options trading experience, you need to be able to rely on successful strategies you can count on when the going gets tough. If you are looking to take your options trading game to the next level, then Options Trading: Quick Starters Guide To Options Trading is for you. This is a compilation of Andrew Johnson s options trading masterpieces. Without a doubt, this book contains everything you need in order to stop questioning potential trades and start acting in a manner that will ensure you maximize your profits with every trade. No matter what level of risk you prefer or how long you have been in the options market, you will find something useful inside. Inside you will find: -Understanding Trading as a Whole -Options Trading in a Historical Sense -The Basics of Options Trading -How to Get Started with Options Trading -The Different Types of Stock Options -Choosing Index Options -Choosing Currency Options -ETF and The Future Options -Options Trading Strategy Terms -The Options Trading Strategy -Ensuring Success with Options Trading -Is Passive Income Possible with Options Trading? -The difference between liquid and illiquid options and which you stay away from more often than not. -Why it is important to consider historical volatility before you make any moves. -Ten different trading strategies for all seasons and...
