

Five lessons learned to love their children practice classroom: a Boston University Doctor of Education (Chinese Edition)

Filesize: 6.87 MB

Reviews

Extremely helpful to all class of individuals. It really is written in straightforward terms instead of difficult to understand. I am just happy to explain how this is the finest publication I have got read inside my own lifestyle and might be the very best ebook for possibly.
(Dr. Meta Smith)

Publisher: Chongqing University Press. learn to love the children five lessons: a Boston University School of Education Dr. practical classroom education with his right. resort to the reader's common sense and rational. but involved in education all aspects Every detail - from dressing. eating. disciplining the child's sense of proportion. to reason with the child. to cultivate the child's quality of children to read. music. dance education. Learn to love the children five classes: a Boston University School of Education Dr. practical classroom all readers interested in education can understand. and be able to benefit from the book. The same time. the contents of the book. depending on the chapter. the focus also has some different. About Family Education (Chapter 2). and discipline their children (Chapter III) two parts. the parents should be more concerned about the benefit may be more; About extracurricular reading and language education (Chapter V). and respect for and acceptance of two children (Chapter IV). teachers and parents should all be able to get inspiration and help. Book what they thought about the movie of Les Choristes (Chapter II) and Yang Min in Appendix classroom observation in the United States. in the form and content as compared with the other chapters are more vivid and concrete can understanding of children and education to help teachers and parents from another angle. Contents: Chapter good family is far better than the focus of the school - parents decided society needs to appeal to the mental health of children the best teacher complete care of family love mother decided to leave the children when maternal love absent mother home Beyond the damage of the past: do not...
