Lee Low Books Inc, United States, 2015. Hardback. Book Condition: New. London Ladd (illustrator). 282 x 229 mm. Language: English . Brand New Book. Making a difference in the world can be as simple as planting a tree, giving up your seat on a bus to a disabled person, or training a puppy to become a guide dog. These are just a few of the simple acts of kindness featured in this collection of fourteen original poems. Each poem emphasizes the compassion and the joy of giving. Representing diverse voices different ages and backgrounds the collection shows the bridging of boundaries between people who are often perceived as being different from one another. The first step in bridging those boundaries is to extend a hand. John Frank is an accomplished poet and the author of several children s books, including three highly-praised poetry collections. Coupled with London Ladd s emotive illustrations, Lend a Hand demonstrates that empathy and social awareness can start at an early age.
