Admirers, competitors, industry and Wall Street analysts alike are intrigued with the question of what makes Home Depot so special. What, exactly, does this giant do that so clearly distinguishes it from the competition? How does Home Depot culture and customer service work? And, most importantly, what lessons can every business learn from the Home Depot example? INSIDE HOME DEPOT takes you behind the scenes to discover the secrets of success of this retail giant how, in just twenty years, Home Depot has not only changed the way hardware is sold, Home Depot has also elevated the superstore concept to a new level of success, inspiring both admiration and fear in the retail community.
