My name is Lee Jacks and I ve lived a life that few could imagine. When you grow up as the son of a crack whore with little more than the clothes on your back most days being accepted by your peers is the last thing you expect. I was always an outcast which was fine by me. It s what kept my brother and me alive. Survival is something that isn t taught in public schools, but it damn well should be. Especially the one that I attended for a while. But I m no longer a gutter rat to be kicked aside like yesterday s trash. Rumors about my past and the fact that I ve long operated in the grey areas of the law abound, but the good people in this city could give a f***. What they do care about is that I donate to whatever charity their guilty conscience prods them to support. Even as a kid I instinctively knew that I needed to be the alpha. That s the same ingrained knowledge that animals are born with. You assert your dominance early on and reinforce it as needed. It wasn t that I enjoyed fighting as some did. Hell, I d never considered myself a violent man by nature. But if it comes down to the him or me scenario, then it s gonna be him every...
