Reviews

This is actually the finest ebook we have go through until now. It is writter in straightforward words and phrases instead of difficult to understand. Its been designed in an remarkably straightforward way and is particularly just following i finished reading through this book by which basically changed me, change the way in my opinion.

Taylor Francis Ltd, United Kingdom, 2014. Hardback. Book Condition: New. 3rd Revised edition. 250 x 176 mm. Language: English . Brand New Book. Group work is a popular and widely used social work method. Focusing particularly on the central role of mutual aid in effective group work, this text presents the theoretical base, outlines core principles, and introduces the skills for translating those theories and principles into practice. A Mutual-Aid Model for Social Work with Groups will help readers to catalyze the strengths of group members such that they become better problem solvers in all areas of life from the playroom to the boardroom. Increased coverage of evaluation and evidence-based practice speaks to the field's growing concern with monitoring process and assessing progress. The book also includes: * worker-based obstacles to mutual aid, their impact, and their antidotes * pre-group planning including new discussion on curriculum groups * group building by prioritizing certain goals and norms in the new group * the significance of time and place on mutual aid and the role of the group worker * maintaining mutual aid during so-called individual problem solving * an expanded discussion of anti-oppression and anti-oppressive practice * unlocking a group's potential to make difference and conflict useful * special considerations in working with time-limited, open-ended, and very large groups. Case examples are used throughout to help bridge the gap between theory and practice, and exercises for class or field, help learners to immediately apply conceptual material to their practice. All resources required to carry out the exercises are contained in over 20 appendices at the end of the book. Key points at the end of each chapter recap the major concepts presented, and a roster of recommended reading for each chapter points the reader to further resources on each...
