The Fourth Edition of this successful, user-friendly reading text has been revised to help students learn strategic behaviors that empower them to succeed in all their courses. The Main Idea, Fourth Edition, written at the 6th- to 9th-grade-level, emphasizes reading to learn. Students develop an increasingly complex understanding of the reading process through incremental strategies and game plans. A casebook of longer readings based on the theme of inter-generational relationships integrates chapter concepts with real-world material. In addition, a wealth of pedagogical features, such as discipline-specific vocabulary instruction, individual and collaborative activities, critical thinking and reading strategies, and a complete chapter on reading college textbooks, help the developmental reader learn the skills necessary to succeed in college.
