Spiderwize, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Formal learning or not, if inspiration can be found elsewhere, especially in a book, then excerpts can be taken from many a well-kept diary, and poems written in the middle of the night, even when woken meant that a whole new idea might be conveyed and written; or the thought of an epic statement might have had the ability for changing someone s life for ever. I always believed that it was worth the trouble to put pen to paper. Read this, and you may find yourself all wrapped up in a statement meant only for you. Or it could be our Father God calling in the night with His angels ready to save you in the twinkling of an eye. God bless you all and I really love you, whoever you are. Nothing in this book was just meant for me, otherwise it is very likely I would have carried on sleeping- wouldn t you?
