

## Threaded Journeys: Fishing, Hunting, Conservation, Adventure, and America's Future (Paperback)

By Tom Johnson

Tom Johnson, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Threaded Journeys is a compilation of fly fishing and bow hunting stories interwoven with discussions on various issues regarding conservation, preservation, and healthy living. The author, Tom Johnson, delves into topics about our blue-green planet and its resources that we must preserve. He argues that employing the use of our natural resources while mitigating damage to the environment is our great challenge going forward. Johnson also weaves in a dialogue about physical fitness and awareness and how a proper diet should be emphasized in our schools and implemented into our culture if we are to succeed and prosper. In order to grow, work and play at our fullest potential we need to educate at a new, higher level that requires taking better care of our physical and consumption needs, notes Johnson. Our mental, psychological and physiological foundations will improve when we teach these bodily basics along with the ABCs. In addition, Threaded Journeys takes its readers to Quebec to fish and hunt, onward to Montana, Wyoming, and Wisconsin to fly fish and finally travels into the wilds of Maine, Nova Scotia and Newfoundland....
