The book of Judges in the bible holds exciting stories of history. These stories all hold truths and real life instances of God attempting to show his people how much he cares for them. The story of Samson and Delilah is a well known story. Samson of course being the strongest man in history, wooed by a beautiful women and then betrayed. This story of betrayal leads this man that God chose to fight one of the largest battles ever fought by one man. The book of Judges also contains the great story of Deborah the prophetess who leads the children of Isreal into battle. Her story ends with a young lady doing some pretty horrific things to the king that Deborah was up against. Pretending to be his friend, and giving him a glass of milk. Then killing him with a spike through the head while he was asleep. All these stories are incredible in depth stories, and they have been around for ages. But their lessons and never ending. So without changing what the bible says, we have put this beautifully written book in to an easy to read format. This format separates the book into stories as chapters, instead of chapters based on better reference. We have also eliminated all the original chapter numbers and split the chapters up into stories. We know that you will enjoy reading this book as much as we do. Over and over again, God speaks to us through his word. This will give you the opportunity to pick up and read a book of the Bible without the pressure of reading 3 chapters a day, or reading it...
