Birth of a New Earth: The Radical Politics of Environmentalism (Paperback)

By Adrian Parr

Columbia University Press, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. In response to unprecedented environmental degradation, activists and popular movements have risen up to fight the crisis of climate change and the ongoing devastation of the earth. The environmental movement has undeniably influenced even its adversaries, as the language of sustainability can be found in corporate mission statements, government policy, and national security agendas. However, the price of success has been compromise, prompting soul-searching and questioning of the politics of environmentalism. Is it a revolutionary movement that opposes the current system? Or is it reformist, changing the system by working within it? In Birth of a New Earth, Adrian Parr argues that this is a false choice, calling for a shift from an opposition between revolution and incremental change to a renewed collective imagination. Parr insists that environmental destruction is at its core a problem of democratization and decolonization. It requires reckoning with militarism, market fundamentalism, and global inequality and mobilizing an alternative political vision capable of freeing the collective imagination in order to replace an apocalyptic mindset frozen by the spectacle of violence. Birth of a New Earth locates the emancipatory work of environmental...
