Shes sent to a Nether jail, one of the grossest jails around. The thing is, jail isnt the best place for a witch to spend her time. Verita hatches a plan to break out of jail so that she can be free again, and it involves doing what she knows best: making potions. Its hard to find potion ingredients in a prison, especially if youre the new girl in jail. Verita needs to find friends in the right places if she wants to be able to make it out of prison quickly. As Verita tries to escape from jail, she makes friends with a fellow mob who also wants to break out. The question is, will Verita and her friend be able to escape?
