Reviews

Absolutely among the finest pdf I have got possibly read. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Prof. Lois Cormier II)

DOROHEDORO, VOL. 3 (PAPERBACK)

Viz Media, Subs. of Shogakukan Inc, United States, 2018. Paperback. Condition: New. Q Hayashida (illustrator). Original. Language: English . Brand New Book. A blood-spattered battle between diabolical Sorcerers and the monsters they created. While En seeks out a new partner with unique magic powers, his crew has a run-in with an underground organization that controls the distribution of black powder, a magic-enhancing drug used by weaker Sorcerers. Meanwhile, Caiman and Nikaido spend New Year s in the haunted mansion of a mysterious doctor who specializes in the anatomy of Sorcerers. The doctor reveals to them the only known portal to the Sorcerers dimension. * This title was promoted in the launch of Viz s IKKI web site. It was serialized online before the GN is published, and covered in the October feature section of the site. * Fits in easily with the American horror market. Hayashida takes inspiration from slasher films, zombie films, and sci-fi mutant films that are readily identifiable and appealing to horror fans. * Merchandising opportunities abound for this manga, including clothing, Halloween costumes, posters, and collectible figures. * Hayashida is a rare breed in that she s one of the very few female creators of graphic horror. This is an angle we can use in our marketing materials to attract a female readership.
