

A History of the Gift of Painless Surgery (Classic Reprint) (Paperback)

Filesize: 9.4 MB

Reviews

This written book is great. I am quite late in start reading this one, but better then never. You will not really feel monotony at at any moment of your time (that's what catalogues are for about when you check with me).
(Abe Reichel DDS)

A HISTORY OF THE GIFT OF PAINLESS SURGERY (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from A History of the Gift of Painless Surgery It is well known that when an invention or discovery proves a brilliant success, many claimants to the honor appear. And in this case the abundant and weighty evidence in favor of the true discoverer seems to have been neutralized and obscured in the public mind by the activity of the friends of the introducer, who might well have rested content with his own important share in the good work. The heat of controversy has passed away and the claimants themselves are gone. The evidence remains. It is to this rather than to extreme partisan statements that the present generation should look in assigning the meed of gratitude and praise for this discovery, - a blessing to man only surpassed by Prometheus's gift of fire to miserable early men. The writer has examined with care the writings containing the statements, and, more important, the evidence adduced in behalf of both the important claimants to the discovery, and without hesitation refers the readers to these, giving at the end of his own representation of the facts a list of the principal works issued by both sides during the years of the controversy. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
