Reviews

It is fantastic and great. It is written in easy words and phrases instead of confusing. I am just delighted to explain how this is actually the best book I have got read through during my individual life and might be the finest publication for ever.
(Prof. Murl Shanahan DDS)

Harvest Books. Paperback. Book Condition: New. Paperback. 208 pages. At ages nineteen and twenty-two, respectively, Jason Kingsley and Mitchell Levitz shared their innermost thoughts, feelings, hopes, and dreams, their lifelong friendship and their experiences growing up with Down syndrome. Their frank discussion of what mattered most in their lives—careers, friendships, school, sex, marriage, finances, politics, and independence—earned *Count Us In* numerous national awards, including the EDI Award from the National Easter Seal Society. More important, their wit, intelligence, candor, and charm made a powerful and inspirational statement about the full potential of people with developmental disabilities, challenging prevailing stereotypes. Now, thirteen years later, the authors discuss their lives since then—milestones and challenges, developments expected and unexpected—in a new afterword. This item ships from multiple locations. Your book may arrive from Roseburg, OR, or La Vergne, TN. Paperback.
