

Her Fortescue Diamond (Paperback)

By Alicia Hope

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A short story with a modern take on an age-old dilemma. You write such wonderful heroes in your books Alicia, I've fallen in love with every one of them so far. So, how come you still haven't found a hero of your own? That's because the heroes in my stories are make-believe men. No real man could live up to them. Well of course they're not real Luvvy, you're a fiction writer. But writing about impossibly handsome, heroic types in your books shouldn't stop you from finding one in real life. But Polly, real-life heroes just don't exist. Or, if they do, they're as rare as the Fortescue Diamond. Rare? Maybe. But just how perfect must the right man be?.
