CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 142 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. Is there a cure for cancer Definitely! The cure for cancer is not as complicated to be found as we have been made to think. You have to step outside the box and cure your cancer with anticancer remedies within a month or maybe within a week. The cancer therapies in this book are the ones your medical doctor will not mention to you and yet, they have been scientifically proven to work (many of them work much better than any chemotherapy drug out there). Many of those cancer therapies have helped millions of people to cure cancer and many other diseases once and forever. They go way beyond good nutrition and diet and there are scientific studies done on each of them. Many of the therapies in this book are completely free, some cost pennies, others cost a few dollars a day, but all of them are based on science and are thousands of times cheaper than any chemotherapy, and most importantly - they have NO side effects (unless you have certain allergies or a specific pre-existing condition). For some of the cancer therapies in this book you don't need to interact with a medical practitioner, for others you do. I believe in treating cancer with anything that works and doesn't make things worse. But it goes without saying that surgery and poisoning shouldn't be acceptable ways to treat a disease, which is curable in other ways. Medical doctors and Bio Med Companies are doing their jobs. They do what is expected from them to be done and what they are paid for. You have to do your job. And your job is to take your own health in...
