Have you ever felt like God was whispering to you I have! One sunny day in the spring of 2012, I was sitting in my favorite comfy chair, writing in my journal. From out of the blue, I began experiencing a sensation I had never felt before. I felt a calming warmth in my heart and all of a sudden, I started writing down ideas on the blank pages in my notebook, one after the other, that just came to me. I was getting inspiration to tell a story from my personal journals. The first thing I wrote down was its title, Heart Seasons. It would be a fictional story based on different seasons from my own real life and each season of the novel would be defined by the colors of the rainbow. Come join me on my journey of miracles. Lilly Marie Eastbrook Rhodes A theme that runs throughout Heart Seasons is Lilly's love of nutritious foods and cooking. After a spontaneous life threatening medical crisis suffered by the author, a new vision for future books was revealed. She has discovered two new life passions, in addition to writing, cooking and baking, and excitingly, they are food photography and blogging. Coming in the future, using a combination of her passions, Dianna Donnelly has already begun preparing to create and publish a series of recipe books. Following her love of healthy wholesome foods, and a healthy happy lifestyle, they will be named Real Food Meals Recipes. Until her first recipe book is published, please visit her website to view step-by-step instructions along with color pictures and recipe cards for printing favorites.
