Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: Spanish . Brand New Book ***** Print on Demand *****. La situacion dentro de la vida de la pareja es a veces muy aspera, complicada y conflictiva. Algunos llaman los anos de miel a los primeros anos de casados (de uno a tres), sin embargo, es precisamente en estos anos de la vida que, entre quedar de acuerdo; el trabajo; los pagos de la casa; el tiempo de pareja y los hijos (si los hay); la familia secundaria (padres y hermanos); los amigos; etcetera, se convierte en un dimes y diretes que, si no se controlan y se arreglan, termina por hacer que la pareja se divorcie, o su vida sea un suplicio. En este libro, te dare diez de las cosas que afectan a las parejas (aunque haya mas), y con ellas algunas de las formulas para poder resolver este tipo de problemas. Lo interesante de estas cosas es que algunas son tan absurdas, pero mal cuidadas nos llevaran a un divorcio o una lejania de la pareja. En cada problematica veras la descripcion de la misma, una historia y varios consejos de como resolver el problema, no creas que es un formulario de examen, o una receta de cocina, son situaciones que a partir de la experiencia que tengo como terapeuta de parejas he podido aprender y enseñar, espero que el camino sea agradable y lleno de buen aprendizaje. Un abrazo.
