Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Power of Sheer Genius Unleashed! Path of the Genius is designed to help build characters who achieve immortality and legendary status not so much for their raw personal power but for their intellect itself. They may be researchers or writers, spreading ideas to the far corners of the world that plant the seeds of change wherever they are heard or read or understood. They may be naturalists and explorers, insightful observers into the world around them as it exists, or they may be forward-thinking futurists and experimenters always pushing the envelope of the possible. Their areas of specialization and study range from ancient history to advanced technology, from clockworks and alchemy to manipulation of fundamental forces like electromagnetism and gravity. Equal parts archivist and tinker, from calm loremasters to raving mad scientists, a genius adapts the knowledge of the past and applies it to new situations and new opportunities for breakthroughs. A genius is a character whose mind is her ultimate weapon and who has never met a problem she could not think her way through. A genius is always thinking, always imagining, always listening, always recording, always planning, and always ready to try something new to demonstrate that the mind itself, not the magic it might wield, is the true path to greatness! Path of the Genius includes advice on creating a concept for your mythic scholar, scientist, or brilliant battlemind, with half a dozen suggested builds, but the heart of this product is over 70 mythic path abilities tailored specifically for the genius particular blend of inspired invention and technical expertise. Whether your stranger is a mad scientist or a curious professor, an inventor, tinker,...
