Today its effects are felt in almost every aspect of life--medicine, politics, science, psychology and even religion. --Fortune 500 corporations routinely send their managers to New Age seminars to expand their minds and increase productivity. --Entertainer Shirley MacLaine has written two best-selling books that chronicle her conversion to the New Age. --Doctors and therapists increasingly employ healing techniques that are based on pantheistic principles. --Even advertisers on radio and television, in tune with New Age ideas, are telling us that we have unlimited potential. His thorough, biblical analysis helps Christians know how to respond to this aggressive movement. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN.
