Sterling Publishers Pvt.Ltd. Paperback. Book Condition: new. BRAND NEW, Fanaticism: A World Devouring Fire, Alan Bryson, Fanaticism turns the world on its head. It transforms the healing prescription of a messenger of God into noxious poison. In the middle of the 19th century in Persia, the founder of the Baha'I Faith described fanaticism as a world-devouring fire. He revealed a system for overcoming fanaticism which summons us to look beyond race, gender, religion, ethnicity and nationality and see ourselves as citizens of a unified world, owing our existence to a common Creator. This declaration produced a fierce fanatical reaction in Persia, where over 20,000 people who answered the call were brutally murdered in a wave of state-sanctioned persecution. Now, over a century later, millions have embraced this unifying vision. This book will help you to understand why. Especially for those concerned with the outwardly intractable conflict between Muslims, Jews, and Christians, this book offers a beacon of light in these seemingly dark and hopeless times.
