The word of mouth results, have been the product of years of experimentation done millenniums ago. When did grandma become the epitome of wisdom and experience? Well, we should go back millenniums, when it was the job of the oldest generation to take care of the youngest generation, while the adults generation in between went out to collect food, water and other basic necessities necessary for survival. The job of raising and training the children was left to those people who were most experienced. It is possibly this reason why the oldest and the youngest generations still...
