

How Do You Color a Sound? (Paperback)

By Nancy Newman

Createspace, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Welcome to a World of Fun Exploration! The images and words in this coloring book are designed to help your child stimulate thought by associating sounds and images in a new way. The parent is also encouraged to use these as a launching pad for jumping off into new streams of creative ways to explore the world around us through our senses. The visual world has affected everyone. People place so much importance on what they see that they often forget to view with their other senses. The world around us fills ALL our senses if we d just pause and take notice. Mostly, those sensations wash over us, yet these senses have a subliminal effect on our perception, and our memories. Helping your child tap into more fullness of their perception at a young age is an unforgettable gift. Associating images of movement and sound engage us in a deeper more meaningful way. It is my wish that each reader/ budding artist finds something wonderfully alive in this book which in turn helps to open the doors to their own inner creative...
