

## Landscape of a Soul (Paperback)

By Haley Rossow

iUniverse, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Poetry gives voice to the human soul, revealing emotions through honest words. These words, in all their simplicity, spoken against silence allow us to bask in the reflection of who we really are. Armed only with my pen, I have painted the internal landscape the body so often forgets to feel. It is in the moments when we walk this landscape that raw emotions are exposed and the hand comes the nearest to self-understanding. An empty canvas captures the ink spilt when body and soul collide. My hope is that through the words I have laid out on paper, you too can explore your own emotions and truly walk the landscape of a soul.
