Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Corporate America, and Big business, is changing all around us, and the mom and pop stores along with the many department stores are closing their doors forever? The question is, does your business have what it takes to keep up with the young technological giants, geniuses, and entrepreneurs? Or are you poised to do the same things in business when it comes to marketing, development, and advertising? Because if you are, without a vision for your company and its future, the people are going to perish from your consumer base, and go somewhere else, that gives them what they want, and when they want it delivered, and how fast they can get it today. Getting to the heart of the matter says if you don t have a plan for your business others will take your plan, and make it their hopes and dreams, and leave a lasting legacy that constantly contributes a clear financial vision into the lives of next generation up and coming entrepreneurs.
