Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

This book has been designed to awaken your inner creative being and gently connect you with your most satisfying and creative self. This Colour Edition blossoms with encouraging quotes, numerous colouring sheets of unique images, suggestions, activities and insightful thoughts. You will benefit on many levels from exploring this colouring journal for awakening the creative child. When used daily, The Creative Warrior propels you mindfully into a very happy place! Please note: Each of the images in The Creative Warrior have been especially created by the artist with the intention of delivering the essence of true love and triggering a healing response as you colour. This book is dedicated to every child who has been made to feel their marks are not good enough. Praise for The Creative Warrior I need no excuse to reach for the felt tip pens and now I get to colour in the work of one of my favourite artists while exploring + healing myself, my creativity + my inner child in this book, The Creative Warrior. What Arna offers in these pages are a permission slip to play, to make mistakes and to celebrate your right to make a mark. Warning: once you let Arna and this book awaken your creative child, if you re anything like me, you ll find you will want to colour outside the lines on the page + in life too! -Lisa Lister, author of Code Red + Love Your Lady Landscape Hand in hand with your inner child, The Creative Warrior invites you into the transformative world of play, joy and...
